
The new GOLF
Made by life. Made for life.

Signature **look**

Intuitively engineered, the iconic new Golf exudes attention-grabbing appeal, complemented by outstanding features and stunning looks. Combining smartness and style, it truly is in a class of its own– just like those who own it.

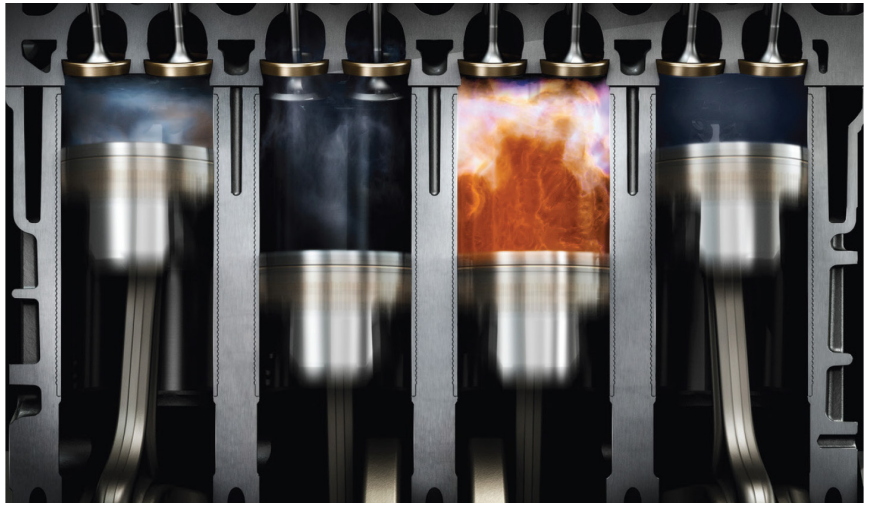
Interior **comfort**

The New Golf offers a choice of thoughtful features, including electrically adjustable, foldable, and heated door mirrors with memory and reverse-activated kerb-view adjustment on the passenger's side, as well as 3-zone Air Care Climatronic with enhanced air filtration and rear controls, ensuring personalised comfort for everyone on board. Plus, enjoy added freedom with the tilting and sliding panoramic sunroof with integrated roller blind. And for the ultimate in driving comfort, the ergoActive seats offer effortless electric adjustments and a built-in massage function in the driver's seat, ensuring every drive is a luxurious experience.

Discover the New Golf – where thoughtful design meets unparalleled comfort.

Enhanced **safety**

Enjoy peace-of-mind with a host of features engineered to keep you safe. These comprise of an Advanced driver attention & drowsiness monitor, Hill start assist, Electromechanical brake booster along with driver and front passenger airbags. The passenger airbags also come equipped with a deactivation switch for added injury prevention. In addition, there are also front seats side impact airbags with central airbag between the driver and the passenger as well as curtain airbags for front and rear passengers, while Park Assist takes the stress out of parking, and the rear-view camera helps you manoeuvre with greater confidence and ease.



Unparalleled **Performance**

Beneath the hood, the powerful 1.4 Turbo TSI engine seamlessly blends a dynamic driving experience with uncompromised fuel efficiency thanks to its Active Cylinder Technology. And while its lowered suspension creates a smooth ride, its superb responsiveness, along with Sport Mode makes every drive even more exhilarating.

Intuitive **Experience**

Designed around you, the Golf seamlessly brings together advanced technology and everyday convenience for a more intuitive driving experience.

The 12.9-inch infotainment display with integrated Navigation System puts essential information and entertainment at your fingertips.
Elevating every journey, the premium Harman Kardon sound system delivers an immersive listening experience with rich, detailed audio, transforming every drive into something worth listening to.
Thoughtful features including touch-activated controls, Wireless Charging, and Keyless Access, so you can focus on enjoying the road ahead.

IQ.**Light**

Illuminate your drive with the revolutionary IQ.Light in our Volkswagen cars! Featuring advanced LED technology, the IQ.Light system intelligently adapts to various driving conditions, ensuring optimal visibility at all times.

Experience enhanced safety and comfort with precise, adaptive illumination that makes night driving safer and more comfortable. At the rear, the 3D LED combination lamps create a striking light signature, while dynamic turn signals add a distinctive touch of style and help make your intentions clearer to other drivers. With IQ.Light, every journey combines confident visibility with unmistakable Volkswagen design.

Upgrade to Volkswagen's IQ.Light – where innovation meets illumination.
