# Confident Appearance

The T-Roc R has been the powerful flagship of the compact SUVs from Volkswagen since 2019. The T-Roc R impresses with a 250 NM -4cylinder TSI engine, 8 Speed Automatic transmission gearbox. This combination and other technical features ensure exceptional agility, which is reflected in both the dynamic exterior design and the high-quality interior. The dynamic crossover model now also features innovative technologies from higher vehicle classes.

# T-ROC

The vehicle's dynamic personality is also clearly shown by the exterior appearance of the T-Roc R-Line. The newly designed model-specific front end has a particularly muscular look with a bumper in R styling and striking vertical daytime running lights. The Led headlights are standard in R-line trim. dark-tinted LED taillight clusters and also the R logo on the black radiator grille and boot lid underline the distinctive exterior appearance of the T-Roc R-line trim. The interior is distinguished with its R-specific trim elements, high-quality accents are provided by the standard Digital Cockpit, which is also available in T-Roc R-line. The new and particularly elegant surfaces of the dash panel with decorative stitching, the new sports leather steering wheel and the infotainment system display in tablet design.
